

【The Information of Cleaning Service】

This is an announcement for guests staying for over 2 nights. Starting June 1st, 2023, due to environmental conservation initiatives, we have decided to change the cleaning schedule from daily cleaning to schedule below. These actions help contribute to the environmental load reduction, such as water and power reductions. We appreciate your understanding and cooperation.

●Room Cleaning Schedule

	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8
Cleaning	Arrival	×	×	○	×	×	×	○

【× No Cleaning Date】

We provide new towel sets and plastic bags outside your room door.

We collect used towels and garbage if you put them outside the door.

【○Scheduled Cleaning Date】

It will be helpful if you could put the Clean Up Card(Blue Card) on the doorknob outside by 12pm.

In the case the Do Not Disturb Card(Red Card) were hanging, we will NOT enter and clean your room.

However, we will ask you for the cleaning schedule when we need it to keep a balance of hygiene.

※We do NOT clean around kitchen.
